COUNCIL CONFIRMED
MUNICIPAL ELECTION

SHORT SESSION WAS HELD
YESTERDAY

REVOKED AN ORDER

Declared J. H. Godfrey Elected
As Mayor and Announced Lists
Of Anderson's Aldermen

Anderson's city council went into special session yesterday afternoon at 6 o'clock and a few minutes after that hour Mayor Lee G. Holleman read the list of new aldermen, as chosen in yesterday's municipal election, and announced that J. H. Godfrey, together with the aldermen named, were the new officers of this city for the next term. The following is the list of candidates and the vote they received in the general election:

Ward 1.
J. H. Godfrey, 23.
J. H. Barton, 23.
Ward 2.
J. H. Godfrey 10.
Walter Dobbins, 10.
Ward 3.
J. H. Godfrey 8.
C. F. Spearman 8.
Ward 4.
J. H. Godfrey 14.
J. H. Tate 14.
Ward 5.
J. H. Godfrey 4.
R. R. King 4.
Ward 6.
J. H. Godfrey 7.
R. L. Carter 7.
Only 60 votes were polled in this election and but little interest was to be found on any side.
Following the conclusion of the election business, the city council yesterday took up the question of an ordinance which was passed at the last meeting, requiring the street railway system to sprinkle that part of the street traversed by their tracks. Harry A. Orr and Thos. F. Hill of the street car system were present and Mr. Orr made a few remarks on the subject, following which Alderman Elmore moved that the ordinance be repealed and the action of council in this matter rescinded. The motion carried.

Alderman Farmer, on behalf of the people of the First Presbyterian church of Anderson, asked that city council order a retaining wall built along the side of the cemetery on Towers street. Alderman Farmer made a motion that this be done and it was unanimously carried.

This constituted all the business before the body and adjournment was had at 5:30 o'clock.

ANDERSON BOYS
WIN SCHOLARSHIPS

Two From Honea Path Will Get
Free Courses at Clemson During
Coming Term

There was no four-year scholarship in Clemson College from Anderson county this year and accordingly in the list of winners as announced from Clemson yesterday, the name of Anderson county is omitted. However, there are 18 of the one-year scholarships vacant in the state and Anderson county has a chance at these. An examination was held in this city on July 10th for the one-year scholarship and a number of young men appeared and stood for this.

It was announced yesterday that W. M. Cannon of Honea Path proved to be the successful contestant and he will get the one-year scholarship, but it was also decided that out of the 18 vacancies, nine of these would be filled by appointments and therefore W. Q. Beard of Honea Path, who held a scholarship last year, was appointed and he, too, will get a one-year course.

These two young men were yesterday receiving congratulations from their friends on winning out.

The Twenty Year Test.

"Some twenty years ago I used Chamberlain's Colic, Cholera, and Diarrhoea Remedy," writes Geo. W. Brock, publisher of the Enterprise, Aberdeen, Md. "I discovered that it was a quick and safe cure for diarrhoea. Since then no one can sell me anything said to be 'just as good.' During all these years I have used it and recommended it many times, and it has never disappointed anyone. For sale by all dealers.

CAPT. SULLIVAN WILL
SPEAK IN NEW YORK

TO THE BUILDING AND LOAN
MEN

AN ABLE EFFORT

New York Men Were So Pleased
With Washington Address They
Invited Anderson Man

So well pleased were the building and loan men of New York with the address which Capt. G. Cullen Sullivan of Anderson delivered in Washington on July 27, 28 and 29 and Capt. Sullivan's address on "Sentiment—Not To Be Overlooked in the Conduct of Our Institutions," was easily the feature of the meeting. Capt. Sullivan first delivered this address before the South Carolina Building and Loan Association and this prompted the invitation to address the national association. It is said that his address was easily the feature of the Washington meeting.

The annual meeting of the United States League was held in Washington on July 27, 28 and 29 and Capt. Sullivan's address on "Sentiment—Not To Be Overlooked in the Conduct of Our Institutions," was easily the feature of the meeting. Capt. Sullivan first delivered this address before the South Carolina Building and Loan Association and this prompted the invitation to address the national association. It is said that his address was easily the feature of the Washington meeting.

Mr. William Goldsmith, who attended the meeting, states that the B. & L. as an institution is gaining prestige and usefulness all over the United States. There were 140 delegates in attendance. South Carolina had twelve representatives. Mr. Goldsmith, in speaking of the gathering, said it was far more enjoyable and helpful than he can express. The delegates were accorded a royal time in the national capital, and the general spirit of the gathering was such as to show the growing importance of the B. & L. and the enthusiasm with which these institutions are working.

Those who attended from South Carolina were: Hunter A. Gibbs, John W. Thomas, Columbia; G. Cullen Sullivan, Anderson; R. S. Lipscomb, Gaffney; John E. Black, E. O. Black, Columbia; B. M. Spratt, wife and daughter, Chester; William Goldsmith and G. B. Goldsmith, Greenville.

The meetings were held at the Raleigh hotel and well attended. The guests were given automobile rides and in other ways were shown special attention. A banquet was a delightful feature of the gathering.

Not So Strange After All.

You may think it strange that so many people are cured of stomach trouble by Chamberlain's Tablets. You would not, however, if you should give them a trial. They strengthen and invigorate the stomach and enable it to perform its functions naturally. Mrs. Rosie Rich, Wabash, Ind., writes: "Nothing did me the least good until I began using Chamberlain's Tablets. It is decidedly the best medicine for stomach trouble I have ever used." For sale by all dealers.

QUAKER PEOPLE
PRAISE ANDERSON

Say That Oats Raised Here Are As
Good as Those From Any
Other Part of Country

Realizing that no better authority on the subject of oats could be found than the experts employed in the grain department of the Quaker Oats Company, Furman Smith of Anderson, sent some specimens of Anderson county oats to this famous cereal company and asked their opinion as to the quality of the Anderson product. He has received a reply from them, which says:

"We have yours of the 27th with sample marked 'Furman Oats,' and in reply to your inquiry regarding the milling quality for oats such as this sample would state that such oats or similar qualities may be and have been used in the manufacture of rolled oats and oatmeal and the manufactured product is fully equal to the product of northern grown white oats."

PENDLETON PICNIC
WAS HUGE SUCCESS

ABOUT FOUR HUNDRED EN-
JOYED THE DAY

CANDIDATES THERE

"The Flower Garden of Anderson
County" Entertained Great
Number—Delightful Affair

People living at Pendleton had a big time yesterday and at the same time they gave over 400 visitors one of the most delightful times that any of them had ever experienced. The affair was in the nature of a picnic, staged for the benefit of the Anderson county candidates, the candidates for congress from the Third district and the voters of all that section.

Early in the morning it became evident that the attendance would be large and when 10 o'clock came and the time for the opening of the meeting arrived, over 400 voters were in attendance. A speaker's stand had been erected just in front of the old Farmers' Hall and here the meeting was called to order, the Rev. Mr. Ballenger acting as chairman. He introduced the candidates for the state senate as the first speakers and these gentlemen were followed by the candidates for the house of representatives. Candidates for probate judge spoke next and then an adjournment was had for dinner. At this time the chairman presented each of the 47 candidates with an artistic little blue ribbon badge, bearing the words, "Pendleton—The Flower Garden of Anderson County." The dinner served by the ladies of Pendleton simply beggars description. It was one of the most delightful meals imaginable and under the shade of the spreading trees the different delicacies and delicacies tasted better than they would have done anywhere else. Candidates and their friends and the people of Pendleton did full justice to the magnificent spread and then the speaking was resumed. Rev. Mr. Ballenger had been called away and M. M. Hunter presided over the remainder of the meeting. The candidates spoke in the following order during the afternoon: Superintendent of Education, Treasurer, Auditor, Supervisor, Commissioner, and for Congress. Practically all of the candidates were in attendance.

People returning to Anderson last night said that the best of order prevailed, that the audience gave every speaker a respectful hearing and that it was a day of which Pendleton people might well feel proud.

PROF. MURRAY IS
SAFE IN FRANCE

He and Party of Other Americans
Succeeded in Getting Out of
Germany Into Paris

Mrs. Eva Murray yesterday received a cablegram from her son, Prof. E. B. Murray, in which he conveyed the information that he and his party of Americans succeeded in getting out of Germany just as the hostilities were about to begin and that they were now safely established in Paris, where they will have to remain until some provisions are made for getting Americans back home.

Prof. Murray each year organizes a party to tour Europe. This year he went across with a party of 16 and things had been delightful with them until the trouble broke out.

Following the advice that her son was safe and sound, Mrs. Murray left yesterday afternoon for Woolcock, R. I., where she will spend the next few weeks with one of her daughters.

Keep Your Liver Active During the

NEW INSTRUCTOR
LOCAL SCHOOL

Able Teacher From Virginia
Comes to Assume Position
With Cecil's Business School

Realizing that the Anderson school must possess a bright future and wishing to supply all requirements of the students entering the local institution, Prof. L. M. Cecil of Cecil's Business School, announced yesterday that he had secured the services of Prof. W. M. Spelcher of Lynchburg, Va., Prof. Spelcher has already entered upon his new duties and has demonstrated the fact that he is an instructor of decided ability.

For the past two years Prof. Spelcher has been principal of the commercial department of the Virginia Commercial and Shorthand College of Lynchburg, Va., and he comes to Anderson well recommended. He is a graduate of the commercial teachers' course and stenography, of Manchester College, North Manchester, Ind., where he was assistant in the commercial department.

Prof. Cecil is endeavoring to give Anderson one of the best business schools in the south, having recently purchased new equipment, and with the coming of Prof. Spelcher to his assistance he feels that Anderson now has a school amply equipped for the needs of the community.

CITROLAX
CITROLAX
CITROLAX
It's a laxative, of course, name tells you that. And the nicest hot weather drink you ever tasted. Places thoroughly, and pleasantly, too. F. O. Crayler, Syracuse, N. Y., says: "Have used Citrolax for 15 years but this Citrolax has got everything else beat a mile." You will agree with him. Specially nice for children and delicate persons. Sweetens a sour stomach very quickly and stops headache. Evans' Pharmacy agents.

COLUMBIA ELECTION
Dr. M. H. Rice Elected to Vacancy on
City Council

This was to fill the place made vacant when Dr. F. B. Earle resigned to run for mayor. Blind tiger and gambler charges have made the campaign charges slandering, disgusting and disgusting. Dr. Rice is a former city physician.

INTERURBAN TO
CHANGE CUSTOM

Cars Will No Longer Go Down W.
Whitner Street and Blocking
Traffic Will Cease

Several complaints have been filed in this city with Harry A. Orr and other resident officials of the Piedmont & Northern lines over cars on that system being sent down West Whitner street and blocking traffic and it was therefore announced yesterday that the custom will cease and beginning this morning no more cars will be sent over the "P" on the public square. Mr. Orr says that every motorist has been given instructions to run his car up as far as the P. & N. passenger station and there to stop. No car will cross the square even, except with one train. This train is due to be at the passenger station at the same time that a street car comes from the college and it will therefore be necessary for the P. & N. train to run to the court house until the street car can turn the corner and thus get out of the way. With that one exception, no cars will go by the ticket office of the interurban.

It is also announced by the local office that, beginning with this morning all express will be loaded and unloaded on their lines at Tribble street, instead of down in the business section of the city as has been the custom heretofore.

Anderson people seem to be well pleased with this announcement and especially are the people along West Whitner street pleased. Hereafter traffic along that street will not be so congested and the danger of accidents will be lessened.

How To Cure a Sprain.

A sprain may be cured in about one-third the time required by the usual treatment by applying Chamberlain's Liniment and observing the directions with each bottle. For sale by all dealers.

Married at Topeca, Ga.

Mr. G. B. Cann of Atlanta, Ga., and Miss Mattie Cann of this city, were married in Topeca, Ga., last Wednesday, July 28th. Miss Cann is one of Anderson's very popular young ladies and Mr. Cann is in business in Atlanta. After a brief trip they will be at home to their friends in Atlanta.
